- Adobe Photoshop
- Videography
- Adobe Illustrator
- Graphic Design
- Adobe Premiere Pro
- Photography
- Adobe Lightroom

OSU Brand Management

Research and Safety Social Intern

May 2023 - present

Plan and create content for university social media. Cover university-sanctioned events and build relationships with faculty, staff and students to share university stories through articles on the news site and promoted through social media and email newsletters.

Genesee Photo Systems

Staff Photographer and Office Staff

April 2023 - present

Photograph graduations and OSU events with photography team across the state. Organize and fill orders at the office.

The O'Colly

Co-Editor-in-Chief: May 2022 - December 2022

Photo Editor: August 2021 - May 2022

Managed newspaper content and staff. Served as a writer, photographer and editor of both articles and photos. Created layouts for newspaper pages, and designed graphics for sports, news and lifestyle.

Free-lance Videographer and Photographer

October 2020 - present

Record clips and take photos at weddings, family photo sessions, senior photo sessions and various events. Then edit into photo albums, highlight videos, full videos of ceremonies or similar.

Messiah Lutheran Church and School

Free-lance Employee

March 2020 - present

Helped train staff on virtual teaching methods during COVID-19 lockdown. Created video, photo and design content for the school and VBS program. Created end-of-school awards, talent shows, Christmas programs and virtual class tours.

Immanuel Lutheran Church

Director of Video Content

March 2020 - August 2020

Start recording services weekly during COVID-19 lockdown. Helped evolve from recording, to live streaming which continues today. I continue to provide assistance with streams and resolving technical difficulties when I'm available.
